

## PROPOSED HIGHWAY WORKS IN YOUR AREA

### LOCATION: - May Grove, Charlton Marshall

To enable us to carry out essential highway maintenance works, we plan to close May Grove, Charlton Marshall between **2nd and 3rd March 2026**.

The road will be closed daily, between the hours of **09:00** and **16:00**, and will be re-opened to traffic overnight and at weekends.

For the health and safety of all parties, vehicular and pedestrian access is only available by calling the telephone number listed on our onsite signage. This will allow residents to be escorted safely on and off site by a Traffic Management Operative.

During the closure periods there will be no on street parking available, and temporary parking restrictions will be implemented to prevent waiting or parking on the roads listed above. Please note that any vehicle waiting in contravention of temporary parking restrictions may be removed under the provisions of the Removal and Disposal of Vehicles Regulations 1986. If a vehicle has been removed, the owner must contact the Council's vehicle recovery contractor: Ashleywood Recovery Ltd/Bride Valley Recovery Ltd on 01305 889421.

If you wish to discuss these works in more detail, please contact me using the details below.

Yours faithfully
