

PROPOSED HIGHWAY WORKS IN YOUR AREA

LOCATION: - The Close Charlton Marshall

To enable us to carry out essential highway maintenance works, we plan to close **The Close Charlton Marshall** between **5th** and **9th June 2026**.

The road will be closed daily, between the hours of **09:30** and **15:30**, and will be re-opened to traffic overnight and at weekends.

We will be carrying out targeted and localised repairs to sections of those roads highlighted in red on the attached map. The recommended diversion route is marked in blue, and this will remain in place for the full duration of the above works. National regulations state that traffic must be diverted onto roads with the same classification as the one that is closed.

If you wish to discuss these works in more detail, please contact me using the details below.

Yours faithfully
